B04-BLAIR

# THE PRINCE

He opened my eyes to a vast new world, and I didn't even know who he was. He was my seat mate on a long flight overseas. After a time, we started talking, especially him about his country, which was where we were going. It was a small kingdom, and I was travelling on business, but hadn't really considered going beyond where I needed to be. He insisted that he have the chance to show me around once I settled in. I wasn't sure, but he was so thoughtful and charming that I couldn't really say no.

I called after a couple of days, and he offered to take me for an afternoon and evening on the town. Everything about him was so charming, even disarming as he led us through town, visiting a market, a seaside restaurant with a beautiful view for dinner, and an evening on the plaza. He told me I had the most beautiful raven hair, eyes that sparkled like emeralds. He saw something in me that others didn't. He saw the grace of a movie star and a figure worthy of a statue. Even as questions might have emerged, he continued to charm and kept me enraptured to his way of speaking. When he offered a nightcap, I could hardly refuse.

Several drinks later, we found ourselves outside a large mansion, and it was only then that I understood why this young man was so passionate about his country; he was the crown prince. That he was leading me up the front steps felt like a fairy tale, and I could hardly believe it was happening. I followed through the dream as he led me up to a large chamber, shut the door, and quickly leaned in to kiss me with the same intoxicating passion. I couldn't resist, I didn't want to. The way he held me, it made me really believe that I was a movie star, worthy of a statue, and he took great care not to damage me.

Slowly, I allowed him to remove my shirt and pants, leaving me in black lace underwear and bra. He moved with patience, with practice and suave deftness. He knew what he wanted, of course, but behaved like he knew what I wanted, too, as he led us toward the enormous bed. Laying me down, he started to kiss my long neck, down to my collarbone, his tongue lashing toward my now defined cleavage. Somewhere along the way, his hands found the clasp to my bra and released my petite, perky breasts. I arched my back, pushing them up towards him as he gave each one plenty of attention.

He made me feel in ways I hadn't before. My breathing picked up as he relieved me of my panties, leaving me exposed on his bed. Over me, I was dimly aware that he had removed his own shirt and was working smoothly on his pants. Sitting down next to me, he guided me around so that I was on my knees in front of him, his youthful cock fully loaded already. I took it slowly, play-

ing with the slit with my tongue before moving to the rest of the head. I could hear him enjoying it even as he lay back. I moved to take in the shaft, half at first and slowly moving toward taking it all the way down my throat. The prince groaned when I finally gave him the back of my throat and he reached out to hold my head in place, thrusting himself in and out until he let out a grunt and let out a small helping.

With a grin, he pulled me up and kissed me fiercely before turning me back onto the bed, face down and legs over the side. It was surprising when he slid himself into my ass, but it sent new and raw waves of pleasure through me. I couldn't help the scream, and he took his time to make sure I got used to it. After a few minutes, though, he was going at full speed, getting a scream from me with each thrust.

Suddenly, he pulled out and quickly flipped me on my back, his dick going deep in my pussy once, twice before he exploded with energy, showing a different side than he had before. There was almost a wildness, even carnal

**WITH A GRIN, HE PULLED ME UP AND KISSED ME FIERCELY BEFORE TURNING ME BACK ONTO THE BED, FACE DOWN AND LEGS OVER THE SIDE.**

in his eyes as he leaned forward to kiss me fiercely. He lay himself next to me and invited me to stay with him, which I didn't hesitate, though I did miss most of my appointments for the rest of my trip.

## HALLOWEEN MASQUE

Last year, I went to this Halloween masquerade. While I didn't know exactly what to expect from a friend's description, it ended up being one of the most memorable experiences of my life. We had it at this huge hotel room, and everyone was wearing a costume that included an elaborate mask. It started out as a normal party, but as the night went on, I noticed more and more couples... and more partnering up on the sofas, making out behind their masks, kissing necks, teasing lower. Pieces of costumes started coming off, though not the masks. The scenes played out in slow motion. One group out on the balcony around the suite's private pool, another several in the living room. A few had gone to one of the bedrooms, though they left the doors open.

I ventured back towards one of the dark rooms and let myself in, and as I did, I entered a fantasy realm. Three guys were around the edges, each of them with a girl on her back in front of him as they each thrust themselves in at their own pace. Further back on the bed, two other chicks were making out with each other and each of the three chicks on their back, all of them naked except for their masks. As I walked in, one of them, a tall,

dark-haired beauty, jumped off the bed and ran to bring me over, tearing at my clothes along the way.

Even as I tried to ask questions, a peck or finger on the lips quickly shut me up and I just followed her lead. She guided me toward the bed where I was laid down and a different chick, with olive skin and large, full breasts, leaned down to kiss me only a couple of times before trailing her body down mine, taking care that my cock went right between those large boobs before she lowered her mouth to it, taking it in fully on the first swallow. Surges of pleasure and energy pulsed through me as she picked up the pace, feeling me, knowing where I was, pushing me right to the edge before sliding off and another girl moved down on me.

This one was taller, blonde, with sharp features, and she had a way with my cock that was almost like she was manhandling it. She knew exactly where to find each nerve; each feeling drove me crazy by sending me to the edge not once but three times before she passed me on. This one, the dark-haired beauty who'd led me over, leaned up and kissed me before lowering herself onto my now throbbing dick.

I could barely hold on, but she knew how to handle a cock in her pussy, squeezing, releasing, and sliding in all the ways that make a man happy. I looked up into her

**THIS ONE WAS TALLER, BLONDE, WITH SHARP FEATURES, AND SHE HAD A WAY WITH MY COCK THAT WAS ALMOST LIKE SHE WAS MANHANDLING IT.**

mask, a sharp beaked raven, which matched her hair. I let out a gasp as she pushed me to the edge a couple of times before she finally let me release. I screamed as I let out a deep load, seeing her smile behind her mask. She held me for a minute before pulling me up.

The raven-masked one turned me around and sat in my place on the bed and immediately took my still-sensitive cock and started slurping it down. I'd barely started to soften as she was determined to keep me hard. Around me, the other guys had all changed girls from earlier, while the last girl had also managed to pull someone inside to balance. The thought was only in me for a few seconds before I was pulled away from raven-mask and shepherded to the next girl in the line.

We kept at it until the sun rose, every now and then someone shooting, but then getting recharged and passed around. The feeling was constant, a rush of bodies and pleasure all around. By the time the sun started to break into the enormous room, we'd managed to corral another pair of couples, and I couldn't tell exactly who I'd been with, or certainly who I'd finished in, except one. The raven-masked dark-haired beauty returned at first light and pulled me away to a small corner, holding onto me like she didn't want to let go. We fell asleep there in each other's arms, completely spent, completely happy, and completely anonymous.

*Golf cart cop patrols the campus  
looking for extracurricular activities*

## Campus Crime Wave

*The story made the front page of the campus rag, a rather amateurishly written piece about the "ski mask bandit" and his crimes. Three robberies in as many weeks, Bert read, grinning around his cigarette.*

Nobody had been hurt, of course. Violence had never been part of the plan. And Jeff, Bert's partner in crime, had stuck to the plan wholeheartedly, creating a sense of panic that had increased the need for Bert's services.

His official job title was "courtesy officer." Translation—he patrolled the small college campus in a golf cart, keeping his eyes peeled for trouble while providing various forms of assistance to faculty, staff, and students.

Business was booming; thanks to the brilliant scheme he and Jeff, a sophomore Theatre major, had hashed out. Jeff was bright, and one hell of a good actor. All it had taken was a ski mask, a rubber prop knife, and a menacing voice. Bert let Jeff keep the spoils. He didn't want cash, didn't want credit cards, nor laptops, tablets, digital cameras and all the other electronic gizmos the spoiled brats toted around campus.

He wanted pussy.

And the countless calls from spooked coeds requesting his services had provided him with a surplus of collegiate cooze. Tensions were high. Nubile young ladies didn't feel comfortable walking alone at night.

*Enter Courtesy Officer Bert Brantley.*

He would roll up in his golf cart, a chivalrous knight come to save the day. Bert allayed their fears, providing safe transportation, and sometimes, for the amorously adventurous, some extracurricular fun. He was in his early thirties, sure, but this was hardly ancient. Bert kept himself in tiptop shape, and a lot of the girls had a thing for older men.

Now, finishing his cigarette, he folded the paper and placed it on the golf cart's padded seat. His position in front of the campus post office provided him with lighting and a good view of the library. It was late, almost midnight. Closing time, he mused. What with today's story and all, he felt confident that his smart phone would ring.

It did.

"That was fast," the gangly redhead said to Bert. "I just hung up."

**CAMPUS CRIME WAVE**

He pulled up in front of the library steps, eyeing her and liking what he saw, liking it a whole hell of a lot. It was a hot and humid night, typically sultry for September. The red head had dressed accordingly. A seersucker sundress hung loosely over her lithe body. Fiery red lipstick matched the hue of her close cropped hair.

Book bag slung over her bony shoulder, she slid in beside him on the bench seat and expelled a weary sigh.

"Where to?" Bert asked her.

"Jennings," she told him.

His hands on the wheel, Bert headed that way. He was quite familiar with the women's dormitory. Just last week had had gotten a blowjob from one of its residents. The busty brunette had needed a late night ride from the fitness center. Bert recalled the smell of her sweat mingled with detergent as she sucked him off in the dorm's laundry facility. "I would've invited you up to my room," she had told him afterwards, "but my roommate is asleep and I didn't want to wake her."

Now Bert wondered if this hot ginger would be equally grateful for his services. If so, he hoped her roommate was out. Getting blown in the laundry had been great, but a bona fide fuck in a proper bed would be even better.

She regarded the campus paper between them. "I hope they catch that guy soon. Last semester I wouldn't have thought a thing about walking back to my dorm. Things are a lot different now. The creep hasn't hurt anybody, but you never know. He could be a ticking time bomb."

Or an aspiring thespian looking for a quick buck, Bert thought amusedly. Jeff had certainly made out nicely, turning

his ill-gotten goods into cold hard cash.

Bert said, "Yeah, well, you did the right thing by calling me. Proceed with caution; at least until an arrest is made.

"It's probably a student. That's what I think, anyway."

"Or some townie punk," Bert intoned.

"Yeah, maybe."

The moment of truth was fast approaching. Jennings Hall was just ahead. Bert brought the cart to a halt. "Here we are," he said. "Safe and sound."

"Thank you so much." The redhead alighted on the sidewalk. She started walking to the dorm, then stopped abruptly. "Can you accept tips?"

"Tips?"

"I don't have any cash on me," she said, "but I've got some beer in my room."

Bert smiled. "I could sure use a cold one."

"You and me both."

"I'm Allison," she told him, plucking two beers from the miniature refrigerator on the floor. "Officer Bert," he said. "But I guess you can read my badge."

"Oh, yeah. We know who you are."

"We?"

"Girls talk."

Bert took his beer, twisted the top, and took a hefty swig. It was crisp and refreshing. "And what do they say?"

"A lot of things."

"Such as?"

Allison sat on her unmade twin bed. She took a hit of beer. "You've got a big dick."

Bert regarded the other bed; it was tidily made, nice and neat. "Where's your roommate?"

"Karate," Allison replied.

"At this hour?"

"It's a tight knit group. They usually go out for drinks after class." Allison crossed her legs. "But enough about her. Take a load off. Relax."

Bert sat beside her. He placed his beer on the floor. "About that tip . . ."

Allison downed her beer, placing the empty bottle on a cluttered nightstand. She propped her head on an oversized pillow and lay there. Bert watched with increasing hunger as she raised the hem of her sundress and spread her long legs. She sported striped cotton panties. He could see her cleft through the thin white material.

"Come and get it," she told him.

Bert shucked her panties and went to work, licking her pussy with meticulous care, probing and pressing with his tongue. Allison gasped and writhed. He serviced her clit, sucking on her little nubbin, working her into a frenzy of excitement. She moved her hips rhythmically, ran her fingertips through his thick hair.

"Oh, yeah. That feels sooooooo good."

By now Bert's cock was uncomfortably hard within the confines of his workpants. He unzipped, whipped it out, and tugged himself, continuing to lap her cooze as his hand jerked rapidly. Allison had both hands on his head, pushing his face into her crotch, splaying her legs even wider to receive his tongue.

And Bert went with it. For a while, anyway. But it wasn't long before the demands of his throbbing cock had to be met.

He raised his head from Allison's lap, peering into her dazzling green eyes as he stood and undressed. Then he moved into position, guiding his swollen glans between her slick cunt lips.

"Do it, baby," Allison uttered breathily. "Fuck me . . ."

Bert granted her wish, plunging his rod forcefully. Hers was a tight pussy, clenching his turgid member as he thrust repeatedly. This went on for some time before he withdrew, pulling Allison to the edge of the mattress. He stood there beside the bed, towering above her. Then he raised her legs, draping them over his shoulders, testing the limits of her flexibility. She aced the test, and then some.

The new position allowed him deeper penetration. He plowed her poon like a man possessed, reaming her with savage jabs. Bert had worked many jobs through the years. This was definitely the best of the lot. Talk about fringe benefits! He planned to stick around for the long haul.

Of course Jeff had a lot to do with his job satisfaction. Crazy Jeff wreaking havoc on campus, giving Bert plenty to do, increasing his chances. It was a numbers game, plain and simple. The more rides Bert provided, the greater his odds of scoring.

He was getting close now, his load building. On a whim he pulled out and flipped Allison over. She assumed the position, elevating her skinny ass for a good and proper doggy rutting. Dropping his knees to the bed, Bert moved behind her. He slid her dress halfway up her back. His hands gripping her hips, he

campus crime wave

pushed his cock into her cunt.

By now she was quite loose. Still, Bert enjoyed her immensely. The change of position had granted him a second wind. He banged her with renewed vigor.

Allison peered at him over her shoulder, grinning lewdly as she took every inch. Bert tapped her ass, gradually upping the cadence and force of his thrusts. He could've slowed down to prolong their tryst. But he was on the clock. He thought he had been in her room long enough. It was time to resume his patrol.

So it was with a bittersweet flourish that he finished, dumping a load of cum on Allison's ass as she rubbed her clit vigorously. Sated, she collapsed on the bed. Bert put on his clothes. "Thanks for the tip," he told her.

Then he was gone.

They crossed paths in the stairwell. It was the busty brunette who had sucked him off in the laundry room! She was wearing a white karate gi replete with brown belt. Allison's roommate, Bert realized. Well, he thought, it is a small college.

He realized that she was out of breath, on the verge of panic. "Officer Bert," she stammered. "I was just about to call you . . . I got him . . . I got the son-of-a-bitch . . ."

"Got who? What are you talking—"

"The ski mask bandit! He tried to rob me!"

"Where is he?"

"Behind the observatory. I was walking from my car when he—"

"Stay here," Bert told her. "I'll take care of this."

He rushed down the stairs, through the deserted lobby, and out the door. Holding the wheel in a white knuckle grip, he drove the cart as fast as it would go. Jeff was right where Allison's roommate had said he would be, laying in the grass, writhing in pain. Bert brought the cart to a halt and jumped out.

"You okay, Jeff?"

Dumb question. He regretted it immediately. Jeff groaned. He rolled over, clutching his groin with both hands. Bert knelt and removed the ski mask. Jeff's face was twisted with pain. "She kicked me in the family jewels," he said.

Bert shook his head in dismay. "That's what you get for trying to rob a chick wearing a karate gi."

"I figured it was all for show; like maybe she had been at a costume party."

"Costume party? It's not even Halloween."

Jeff had no answer for that one. Bert saw the prop knife in the grass. He picked it up, slid it in his back pocket. Then he helped Jeff into the cart.

"You need a doctor?" he asked.

"I don't think so," Jeff replied. "Just some ice."

Bert had heard of blue balls, but this was something else entirely, this was far worse. Come morning Jeff's nuts would be black.

"That's it for me, Bert. I'm done with this shit. The ski mask bandit has officially retired. Go find someone else."

Bert couldn't blame the kid. Getting kicked in the nuts by a brown belt was no joke. He couldn't speak for Jeff, of course, but he had no regrets.

Theirs was a good run while it lasted.
